NOTICE!

WHEN A HORSE IS A STARTER

A horse is a "Starter" for a race when it has left the paddock, and has ENTERED THE TRACK on its way to the post, if, while wagering is in progress, a horse should be excused by the Stewards because of accident or casualty BEFORE ENTERING THE TRACK FOR THE POST, the pooling is not affected thereby. The tickets purchased on the horse so declared are redeemable at their cost value, such amount being substracted from the pool. If, however, a horse has left the paddock and ENTERED THE TRACK, en route to the post, it becomes a "Starter," and ALL WAGERS ON IT STAND WHETHER IT STARTS OR NOT.
